

Cenotech Solutions LLC welcomes Frank Cunningham

Boston, Feb 24, 2014/Cenotech Solutions LLC/- Cenotech Solutions LLC welcomes Frank Cunningham to the firm. Frank will be a Senior Consultant focused on the technical aspects of our client's projects.

"We are thrilled to have Frank joining the company. He brings many years of experience solving complex data problems for some of the largest and most complicated asset managers in the industry", states Ross Sigmund, Principal of Cenotech Solutions. Ross further goes on to state that "Frank's attention to detail results in exceptional levels of quality and integrity to his solutions".

About Cenotech Solutions LLC

Cenotech deliver's value beyond your expectations. We take a different approach to achieving this success. When you hire Cenotech Solutions for your project you don't just get an assigned resource or an augmented staff. You get an entire team of industry experts that can support you throughout the project. We do this by blending a team of subject matter and technical experts to work from inception to deployment and support. This agile approach helps manage costs and provides the right resources at the right time. Follow us on LinkedIn
