

Cenotech Solutions LLC welcomes Nick Billikas

Boston, September 2, 2014/Cenotech Solutions LLC/- Cenotech Solutions LLC welcomes Nick Billikas to the firm.

Nick has been engaged by a premier client of Cenotech Solutions to provide consulting expertise around their back office processes and procedures. In this role Nick will rely on his portfolio accounting and middle office expertise to recommend operational efficiency improvements and streamline operations

Nick joins Cenotech with an extensive background in managing business and technical processes for mission critical applications with some of the biggest and most prestigious asset managers and service providers in the financial services industry. Most recently, Nick managed a support team for a sophisticated data service at a large service provider. Prior to that Nick, supported IBOR solutions for another large software vendor. "We are excited to have Nick joining the firm. His experience and expertise allows us to continue providing the world class service that we are known for", states Michael Lauritzen, Principal of Cenotech.

About Cenotech Solutions LLC

Cenotech deliver's value beyond your expectations. We take a different approach to achieving this success. When you hire Cenotech Solutions for your project you don't just get an assigned resource or an augmented staff. You get an entire team of industry experts that can support you throughout the project. We do this by blending a team of subject matter and technical experts to work from inception to deployment and support. This agile approach helps manage costs and provides the right resources at the right time. Follow us on LinkedIn
